

MEMORANDUM OF UNDERSTANDING

BETWEEN

Lahore School of Behavioural Sciences (LSBS)

The University of Lahore

AND

Autism Resource Center Lahore (ARCL)

The vision of MOU:

The purpose of this Memorandum of Understanding (MOU) is to create a partnership involving the Lahore School of Behavioural Sciences (LSBS), The University of Lahore (UOL), Lahore, and the Autism Resource Center Lahore (ARCL). The MOU is designed to enhance the development of learning, teaching, clinical practice, research, and therapeutic skills among students and faculty members. To achieve these goals, LSBS and the Autism Resource Center Lahore (ARCL) will collaborate on the following objectives:

Objectives:

This MOU will facilitate the following benefits for both departments:

- Promoting collaboration between faculty members from both institutes to share innovative approaches in training, research, and clinical skills.
- Enabling faculty and trainers from either institute to acquire new methodologies for enhancing therapeutic skills.

UAN: 111-865-865

- Hosting workshops to enhance the capabilities of trainees and faculty members from both institutes.
- Collaborating on fundamental and clinical research projects with implications for fostering a research-oriented environment.
- Jointly organizing workshops, seminars, and conferences on emerging phenomena.
- Working together to advance community outreach for societal improvement.

Duration and Evaluation:

The MOU becomes active once the departmental heads from both sides sign it. If either party wants to make changes, they can ask for a review of the MOU. If any of the partners decide to end the agreement, they must provide a written notice at least thirty days before the intended termination date.
